Specifications of Gaur World SmartStreet

Gaur World SmartStreet features a comprehensive design across lower ground, ground, and seven additional floors. The property includes two basements for parking, with the lower ground to the fourth floor allocated for restaurants, retail, and shopping. The fifth to seventh floors are designated for shopping, food courts, retail, and office spaces.

The facility is equipped with five branded lifts serving the shopping area, two escalators between B2 and B1 & B1 and LGF, two escalators from LGF to GF, and five escalators from the ground floor to the seventh floor. Additionally, a DX air conditioning package is provided for retail areas, shops, and offices. The project includes modular electrical fixtures, an exposed ceiling deck with a running service area, and firefighting systems as per NOC standards. The flooring consists of granite, and the restrooms feature anti-skid tiles.
